### DOES RHEUMATISM **BOTHER YOU?**

Many Doctors Use Musterole So many sufferers have found re-lief in Musterole that you ought to buy a small jar and try it. Just spread it on with the fingers. Rub it in. First you feel a gentle glow,

then a delicious, cooling comfort, Musterole routs the twinges, loosens up stiffened joints and muscles. Musterole is a clean. white ointment, Musterole is a clean, white ointment, made with oil of mustard. It penetrates and drives the pain away, but does not blister the tenderest skin. It takes the place of the mussy, old fashioned mustard plaster.

Musterole is recommended for bronchitis, croup, asthma, pleurisy, lumbago, neuralgia, sprains, bruises, stiff neck, headache and colds of the chest (it often prevents pneumonia).
